Welcome to Worship!

In our Serve It Up sermon series, we're using the familiar experience of going to a restaurant to explore how God invites each of us to find our place, discover opportunities to serve, and build meaningful relationships.

Each weekend we're spotlighting ministry opportunities that connect with the week's message so worshipers will discover ways to be nourished. This weekend will feature our Adult Social Groups. We invite you to spend time in the Gathering Space to take a look at what serving could be right for you.

Join us for a night of crafting, connection, and reflection as Darla Samuelson guides us in creating a Life Design Vision Board. Unlike a regular vision board, a Life Design Vision Board contains a desired outcome with a number, a cue, and a plan underneath it.

Kids of the Kingdom Teachers Needed

Read from the Spark Story Bible and walk kids through the prepared worksheets and activities. No teaching experience is needed, and you can alternate teaching weeks with another volunteer for a flexible schedule. We'll set you up for a successful fun year of learning!

Welcome to Fall

The Summer months were packed full of energy and opportunities to connect and serve. It was also a time to travel and spend time connecting with family and friends. While we saw an increase in those participating in worship as part of our Virtual Balcony, we did see a decrease in giving. Our hope and prayer is that we will make up some ground as we enter the Fall.

Ground to make up from Summer: \$24,000 through August

Fall is certainly an exciting time in the life of the church as programming is back in full swing. There is an added layer of energy and excitement, and you can just feel the Spirit is on the move! One of the things that you may notice is that our financial goals naturally increase during this time of year due to those participating in worship and education during the school year. Whether it's honoring a regular commitment or making an additional gift, every contribution helps ensure that we are able to meet our ministry goals, support staff, and honor our commitments to our partners.
