Welcome to Worship!

In our Serve It Up sermon series, we're using the familiar experience of going to a restaurant to explore how God invites each of us to find our place, discover opportunities to serve, and build meaningful relationships.

This weekend will feature our Local and Global Outreach Opportunities. We invite you to spend time at the tables in the Gathering Space, visit Pastor Karen from Guatemala in the Fellowship Hall, and meet Viviana from Willows Coffee in the Holy Grounds Cafe.

Give

One of the beautiful things about being part of King of Kings is seeing how God moves our hearts when we notice a need.

We are deeply grateful for a generous gift from a member of our congregation to revitalize the King of Kings playground.

This gift reflects a deep love for our preschool and our youngest community members. A playground is more than a place to play. It is a place where children build friendships, explore, and experience a community that welcomes and loves them. While the donor has chosen to remain anonymous, their generosity will be seen in every laugh, friendship, and memory made there.

This weekend, we celebrate another investment in our children through today's Bible Blessing, as we place God's Word into the hands of our students. Together, these moments remind us of the joy of nurturing faith and investing in the next generation.

Opportunities for generosity are all around us. Perhaps this gift inspires you to support a need, update a space or expand future ministry at King of Kings. Some opportunities include:

- **The Legacy Fund** — Providing resources for future ministry and helping King of Kings respond to opportunities and needs as they arise.
- **Gathering Space Furniture** — Helping create welcoming, functional spaces where our congregation can gather, connect, and build community.
- **Internship Investment Fund** — Supporting students and young adults as they explore their gifts and calling while gaining ministry experience.

Please contact Dianne Johnson for further details on how your spirit of generosity can be used to bless your church home. Thank you for being part of a community that sees needs, responds with generosity and gives with joyful hearts.
