Welcome to Worship!

In our Serve It Up sermon series, we're using the familiar experience of going to a restaurant to explore how God invites each of us to find our place, discover opportunities to serve, and build meaningful relationships.

This weekend will feature our Men's and Women's Ministries. We invite you to spend time at the tables in the Gathering Space to check them out!

A Season of Generosity

In every season, we are reminded that ministry is ultimately about people - creating places where people feel known, connected and welcomed. Your generosity makes that ministry possible.

As we look ahead, we are committed to deepening our impact, with a particular focus on strengthening Faith Formation from birth to adult.

It is only through your gifts that these connections are made possible. They help children and adults grow in faith, create opportunities for belonging, equip our staff to serve with care and bring our community together to care for one another and our neighbors.

Every gift, whatever its size, becomes part of something larger: a community where people are nourished, connected, supported, and invited to grow.

Your generosity truly makes a difference.
