

Kids of the Kingdom Volunteer Covenant 2016-2017

Volunteer Expectations

I will serve as a volunteer for one academic year (mid-September through mid-May).

I will prepare and teach lessons to children using the provided curriculum website. I will read my weekly emails and study my lesson before class.

I will incorporate my own God-given gifts into each lesson.

I will try my best to arrive 10 minutes prior to each class session I am scheduled to teach.

I will care for each student individually through prayer and birthday recognition.

I will participate in all volunteer training events held during the year.

I will create a schedule with my co-volunteer's and turn in a copy.

I will call my co-volunteer first if an emergency situation arises and I am unable to teach. If my co-volunteer cannot help, I will call and leave a message for Kids of the Kingdom Coordinator.

I will find a substitute at least one week in advance, I will email the Kids of the Kingdom coordinator with the substitute teacher's name and email.

I will have fun! What an awesome and exciting privilege it is to share the love of God with my students each week that I work with.
