Faith Project Outline

Section A
To celebrate this important milestone, you have the opportunity to develop a project—something of significance that will answer ONE of these three questions:

- Where is your faith in action?
- When have you seen God at work in your life?
- How is your faith guiding you?

Section B
Your faith journey has been one-of-a-kind. You are one-of-a-kind. Therefore, your faith project will be unique, too. It might be community service, paper, a poem, a photo collage, a sculpture, a movie, a song that you’ve composed… There is a lot of room for creativity and self-expression. Choose ONE of the three options below for your faith project:

| Take a photo of you serving in some way with your organization and complete a questionnaire about your experience | Make sure it is meaningful to you AND answers your chosen question. | Share a story (or stories) that answer your chosen question, and explain the connection between your story and answer. |

Section C
In the summer before your confirmation, you will sign up for a Confirmation Conversation. These conversations will be with either Kelsey Battleson or Michael Carmack, and you will be asked to bring your COMPLETED project with you to share about during our conversation. **Papers should be emailed to** [kelsey.battleson@kingofkingswoodbury.org](mailto:kelsey.battleson@kingofkingswoodbury.org) **1 week before your conversation.**

**REMEMBER:**
Each student’s project will be displayed for all of confirmation weekend for your family and the congregation to see and celebrate with you!
