# THE KING'S MESSENGER

KING OF KINGS LUTHERAN CHURCH • WOODBURY, MN • WINTER 2021-22 • NOVEMBER, DECEMBER, JANUARY

#### FROM THE PASTORS

In him the whole structure is joined together and grows into a holy temple in the Lord; in whom you also are built together spiritually into a dwelling-place for God. – Ephesians 2,21-22

#### From the Desk of Pastor Jon

So confession time: I still enjoy playing with Lego's.

While the new Lego sets are pretty cool and you can create some unbelievably elaborate stuff, I still appreciate the original square and rectangular blocks of my childhood. Often times as I'm sitting in the basement watching a movie, I'll find myself taking out my old Lego sets and just start building.

While I'm not at the level of the Lego Masters that you may have seen competing against other teams for ultimate bragging rights, I simply enjoy the creativity of it all. In fact, my favorite things to create are hideouts—decked out with trap doors, fake walls and secret entrances.

Yet each of the structures start in a similar way.

I begin by forming a firm foundation; similar to the pattern of a brick wall as each brick is interlocked with the next. Without that firm foundation the structure can easily collapse.

Psalm 127:1 provides a wonderful guide and reminder,

### "Unless the Lord builds the house, those who build it labor in vain."

Over these past few months, the Executive Team along with Church Council, have been hard at work seeking to build a firm foundation that will best support the ministries of King of Kings. By leveraging the recommendations highlighted by our congregational consultant, our goal is to provide additional breathing room and support for staff and establish a framework that will better position us to respond to the current and future ministry needs of the congregation. Throughout this process we have sought God's spirit and direction. Yet Psalm 127:1 not only applies to the church but all aspects of life.

Maybe there have been things that have gotten a little bit off kilter in terms of our relationships, our work or in our home or faith life. Maybe we haven't been as intentional about establishing or relying on that firm foundation that God provides as our priorities have shifted due to the demands, challenges, changes and interests of life. What would it mean for us to fix our eyes once again on Christ and to seek God's heart and will in all things?

In this installment of the Kings messenger you'll find ways to do just that; to build on that firm foundation. Ask God to direct and lead you; to open your eyes to those things He wants for you and listen to the prompting of the Holy Spirit.

Psalm 32:8 shares this reminder,

"I will instruct you and teach you the way you should go; I will counsel you with my eye upon you."

As congregational leadership, we believe that God has and will continue to bless the work of this family of faith. We pray for continued guidance and wisdom as we seek to develop strategies that speak to the challenges, changes and opportunities that await us. We pray for discernment as we seek to establish a strong foundation upon which to build and we pray that we would listen to the prompting of the Holy Spirit as we carry out the work of God's Kingdom.

Thank you for your partnership in this ministry!

In Christ, Pastor Jon

MISSION

Centered on God, our mission is to feed physical hunger, spiritual hunger and our hunger to be in community.

#### From the Desk of Pastor Scott

This time of year is so full of key moments: the change of seasons along with the big upcoming trifecta holidays of Thanksgiving, Christmas, and a New Year's Celebration. Are we ready for this!?! In the midst of these approaching special days, I'm so glad to be serving here as associate interim pastor at King of Kings. It's a great place to be!!

What's it been like since I've arrived? I've experienced such a warm welcome from the members of this church. It's amazing!! People are so glad that I'm here to "chip in" and to support the leaders (especially coming alongside Pastor Jon to serve with him). I've also been learning a ton about life at King of Kings. It's perfect that at the time of me writing this article we're working our way through our sermon series where we focus on our 40th anniversary of "being church"!

One of the ways I'm getting to know folks is through the congregational care calls we make as a staff (along with volunteers) to reach out and connect with members and friends of the church. It's so great to be able to pray with people and to hear their stories over the phone or when visiting in their home. Lots of emails along with some cards and letters are also being leveraged to make connections with people. Praise God!

What have I been up to? Aside from getting to know people, the history of this church, and ministering to others through these connection points, I've thoroughly enjoyed preaching and leading worship. In this regard, we're really learning how to both celebrate our in-person community of worshipers as well as to virtually "embrace" our on-line community. We've seen God really stretch us (technologically) and expand our reach. What a joy it is to connect with people from all over the place as we share our worship services in this virtual way!!

As a staff, we're studying a resource called *The Art of Better Reaching*. We're learning a ton about how to adapt and adjust our mindset and our methods of ministry. What a joy it is to learn as a team. I'm thrilled to get to lead these conversations with our excellent staff members. In addition to working on team-building and celebrating our work together, I'm spending specific time in supervisory relationships with Sue, Michael, Paula, and Andrea. (We're sad to see Sue leave us!) It's been really an honor to work with them and to have these conversations with them about how to enhance their ministry and to keep our focus on the mission and vision of the church.

What does the future hold for us? Some people wonder how long I'll serve on staff. The main answer we give is "I'm here for the foreseeable future." That means I'm not staying permanently, yet we don't know how long the call process to get an associate pastor will take.

It's been so helpful to be part of conversations with key leaders on the church council about what kind of staff structure (organizational chart) will be most helpful to help accomplish this congregation's purpose. I know that those discussions will be crucial as we enter into a call process for a new associate pastor. We'll just trust the Spirit on the timing—and enjoy the ride!!

In Christ, Pastor Scott

### Advent Devotionals!

Advent is a great time to prepare your heart and mind for the birth of Jesus. Jesus' coming stirs up all sort of emotions, just as the anticipation of Christmas can stir up all kinds of emotions in us. It will be available on November 21 in the Narthex and online. We pray it will help you grow in faith during this wonderful and yet busy time of year.

6 MISSIONS

#### Loaves and Fishes

Third Wednesday Every Month Food prep 3:30 p.m./Serve 5:00 p.m.

**St. Matthew's Church, 490 Hall Avenue, Saint Paul, MN 55107** *PLEASE NOTE: The Loaves and Fishes team has adapted well to changes that were made in 2020 to keep the guests safe, but due to covid, we have had to limit our volunteers to a core team. We will announce when we can once again open this volunteer opportunity up to everyone.* 

Loaves and Fishes is a Minnesota based nonprofit that King of Kings has partnered with for many years. Their mission is to serve free, healthy meals at locations where the need is the greatest. The organization is guided by their vision that all people, regardless of socioeconomic, cultural, or ethnic background deserve to have their basic needs for food met. Once a month, King of Kings' members volunteer with Loaves and Fishes at St. Matthew's Church in the West St. Paul neighborhood to assist in making and serving a meal. If you have questions, please contact Jonathan Jordan at *jpjordan@ cbburnet.com*.

Our team served over 150 meals each month this summer—we had great weather for serving outdoors. Loaves and Fishes is working to provide indoor serving and seating again in the next few months, but of course, it is dependent on the health and safety for the guests and volunteers. The sloppy joes with fresh carrots, broccoli and watermelon are a big hit with the guests. In September, we did a breakfast meal for supper, and will try it again in October. It was fun and the guests seemed to liked it.

#### Quilters

#### First & Third Wednesday of Every Month, 12:30–2:30 p.m. West Adult Ed

A very talented group of women from the congregation meet twice a month to work together to create beautiful and useful quilts which are subsequently donated to our global mission partners in Honduras and Tanzania, as well as to Lutheran World Relief and Life Haven. Anyone who has some sewing experience and would like to learn the art of quilting as well as participate in service work, is invited to join the group. If you have questions, please contact Judy Carlson at *isucarlson@msn.com*.

Ready, Set, Grow Preschool has been King of King's Preschool for 38 years and it is still going strong! Children ages 3–5 are taught by qualified, experienced, loving teachers.

At Ready Set Grow Preschool, we believe that learning and exploration in a safe, caring environment is essential to early learning and development. Research in child development indicates that children learn as they play and

interact with other children, adults and their environment; an active learning process. Our Christian curriculum provides opportunities for children to play, learn and explore through a variety of well thought out experiences in language, literacy, math, science, music, dramatic play and physical movement. We encourage children to process thoughts and make choices and help facilitate problem solving skills in a safe, positive and intentional environment. Each day, we promote independence, healthy self esteem and emotional/social development.

We promise to:

- Support parents in efforts of raising children
- Promote social, intellectual, emotional & spiritual development
- Provide a Christian environment for children to learn, explore, imagine and acquire the essential skills to be life-long learners

# CHILDREN, STUDENT & FAMILY MINISTRY

# Faith Rocks!

Faith Rocks! is a unique way to encourage our 1st–5th graders to learn key Bible verses based on their weekly Spark lesson. Children receive a special rock that has been painted by Annette Sherrill with Old and New Testament stories taken from pictures in the Spark Story Bible or a Christian faith symbol. While they are encouraged to trade in 3 faith rocks for a special prize, most of our children hold on to these special rocks. A few parents have dropped off their student's faith rocks after they have left home for college!

The goal is to help kids know Bible stories and help them become more familiar with their Bible. The 1st and 2nd graders learn just the verse while our 3rd–5th graders learn the verse and the Bible reference. Classes work on the selected monthly verse while children can learn their weekly key verse for extra Faith Rocks! rocks.
