**MISSION**  
OF THE MONTH

Open Cupboard has been expanding services to serve even more people in our communities, with drive-up food service, Today's Harvest market, food deliveries, and a mobile food shelf. Open Cupboard's mobile food shelf more than tripled last year.

### Help "MEAT" the Need for March Minnesota Food Share Month

We are halfway through the month and we're almost halfway to our goal! As of Tuesday, we have received 668 items toward our goal of 1583. All month long we're collecting **canned tuna & chicken, peanut butter, and beef jerky** to support our mission partner, Open Cupboard. Our goal is to raise 1583 items. King of Kings address is **1583 Radio Drive**. By collecting 1583 items, we'll create a uniquely King of Kings gift to give to the food shelf. **Bring your donations to the church and add to the 1583 goal for Open Cupboard.** Please new, sealed items only.
