The Prayer Prompt

A living faith is a dynamic faith which means that growing in faith is not linear. There are seasons when our faith is strong and we are feeling God's presence and purpose for our lives. There are also seasons when faith and trust in Christ wanes and we're just not sure about God at all. Wherever you are today let's remember that the Spirit works with even the tiniest seed of faith and promises to grow it. This week we pray: *Giver of Faith, I believe but help me in my unbelief. Sprout seeds of hope in the hopeless. Spread seeds of faith on all soil. Meet us where we are. Amen*

Pray it Forward · Leave a prayer on the prayer board and take a prayer that has been stamped with "Angel Wings", to pray over.
