As we prepare for this year's sale May 9-10 (member presale the evening of May 8), you can help us by following these guidelines:

- ***Please be sure everything is clean and in good condition.***
- Furniture, dishware, home décor, etc. should be in style. Older items don't sell well, and making arrangements to have them picked up for donation takes additional resources.
- Soft goods such as blankets, comforters and clothes should be clean and without damage. Clothing needs to be in style. Note: we are able to sell leftover soft goods for a designated price per pound which further helps the students.
- Please remove tags from previous garage sales. It takes our volunteers extra time to remove tags to price for our sale.
- Use zip top bags to keep pieces/parts together for games, puzzles, seasonal decor, craft kits, jewelry, etc.

We cannot accept:

- large appliances
- hard wired lighting/fans
- televisions/monitors
- VCR/DVD players
- speakers, answering machines or other electronics accessories
- cribs
- car seats or boosters
- mattresses
- wheelchairs, walkers or other medical equipment
- broken items or items with missing pieces
- out of date/damaged/incomplete sports equipment

Please note:

- **If you are donating an item that is of greater value than typical garage sale items, please give us an idea of the item's worth so that we may price it accordingly.**
- **We are unable to transport large pieces of unsold furniture to donation centers. You can help by providing us with your contact information so that we may ask for your assistance after the sale in the event that your donated item has not sold. *We greatly appreciate your understanding!***
