The Prayer Prompt

Today we pray for our graduates as they prepare for this next season of life. Whether a future direction is certain or is still unknown, we pray for peace, protection and that the seed of faith would continue to grow. We pray for parents, families and friends as the familiar is replaced by something new and the variety of emotions that often come with it.

Pray it Forward · Leave a prayer on the prayer board and take a prayer that has been stamped with "Angel Wings", to pray over.
