Offering Celebration!

Stewardship isn't a program, it's an ongoing discernment of how we use the gifts God has entrusted to us. While churches often launch their Stewardship Campaigns in the Fall, our goal is to create space for both existing members and those new to King of Kings to find opportunities to engage in the life of the church. We find that when people feel invested and connected to ministry and community, they are more committed to supporting the overall mission and vision of the church. Thank you for your continued partnership in the Gospel.

The Prayer Prompt

This week as we consider the uniqueness of our personalities, interests, interests, and gift let us remember that we are not meant to BE all to everyone or everything.

Let us remember that is in the community and cooperation of others sharing their gifts that we experience the fullness of the joy of living in Christ Jesus. We pray: Let your word speak to our insecurities and fears in stepping in to something new or letting go of something familiar. Let us stand firm in your call on our lives to continue to grow and mature by your Holy Spirit. Amen.

Pray it Forward · Leave a prayer on the prayer board and take a prayer that has been stamped with "Angel Wings", to pray over.
