### Challenge for the New Year

As we step into the New Year, we are deeply grateful for the support we've received from our congregation. Your generosity in time, talents, and financial resources has been a true blessing to our ministry and has helped us move forward in faith. Looking ahead, we are hopeful for all that God will continue to do through this family of faith. While our budget will be finalized in February, we are working towards a goal of \$2,200,000. This is a decrease from last year's budget of \$2,293,000, but it reflects our commitment to being good stewards of the resources God has entrusted to us. Your faithful giving makes all the difference. We invite you to join us in meeting this goal, trusting that God will bless and multiply your gifts in the coming year. Thank you for your continued generosity.
