

This summer's God's Gals' offering is for those who are looking to live intentionally in what we do and who we become by God's grace.

- A common thread runs through the life of those women who leave a lasting impact on others. *Resolve*. It doesn't make them perfect women, just purposeful women—women who are intentional about charting the pathway of their lives in the direction of God's promises.
- Be part of another generation inspired to anchor each day and each part of their lives in the bedrock of biblical truth. Together, these resolutions become not only the commitments we make but the legacy we create, the treasures we strategically place in the path for others to follow.

***The Resolution for Women* by Priscilla Shirer**
