Welcome To Church!

Our Lenten sermon series, *Self Sabotage: From Ruin To Redemption*, explores the subtle and sometimes not-so-subtle ways we undermine our faith, damage our relationships, and distance ourselves from God. This series is an invitation to move from ruin to redemption as we let God reshape our lives and restore our walk with Him.

Thank you for joining us this Lenten Season!

Generosity as a Lenten Practice – From Sacrifice to Blessing

Lent invites us into a sacred journey where we reflect on the forty days Jesus was tempted in the wilderness, His steadfast obedience, and His journey to the cross. It is a season of reflection, repentance, and renewal. For many, this season is marked by giving something up and setting aside comforts as a way of drawing closer to God. Yet Lent is not only about what we surrender, it's also about what we offer.

When we give during Lent, our generosity becomes an act of worship and an expression of gratitude for Jesus' sacrifice and serves as an example of our commitment to share God's love in tangible ways, by supporting ministry, strengthening our community and servicing those in need.

As the hymn "O Lord, Throughout These Forty Days" so powerfully prays: "Though parched and hungry, yet you prayed and fixed your mind above; so teach us to deny ourselves that we may know God's love."

May this Lenten season be a time when sacrifice becomes blessing and when open hearts lead to open hands.
