Baccalaureate Weekend

Today we celebrate with our graduating seniors as they step into their next chapter! We've celebrated many milestones throughout our student's faith journeys and it's been an honor to watch them grow up through the years at King of Kings. We invite you to join us in praying over them as they discern the plan God has for them next.

Not only do we celebrate our high school graduates, but also those completing college, master's, or doctoral degrees, as well as those who have dedicated themselves to learning a trade or vocation. Each path matters.

Each represents discipline, growth, and purpose. Well done.

Baccalaureate Weekend: Seasons of Growth, Challenge, Discovery, and Faith

As a congregation, we've had the privilege of walking alongside our students through many seasons of growth, challenge, discovery and faith. Today, as they step into what comes next, we don't simply send them off, we continue with them, trusting that what has been nurtured here will carry forward into the world.

It's worth naming something clearly: these students are not here by accident. They reflect this community's commitment to their lifelong journey of faith. Your encouragement, prayers, time and generosity have supported them and have made the ministries possible that have shaped their faith and deepened their relationships.

These ministries exist because this congregation has chosen to invest in them. In giving, you're not just sustaining a church, you're investing in lives, in future generations, and in a faith that continues to grow beyond these walls.

May Goal: \$150,76
May Actual: \$156,740
June Goal: \$200,070
